CENTRAL SANSKRIT UNIVERSITY

New Delhi

QLM 4.1.1

The Institution has adequate infrastructure and physical facilities for teaching-learning. viz., classrooms, laboratories, computing equipment etc.

Criterion - 4

Q₁M 4.1.1

4.1.1 The Institution has adequate infrastructure and physical facilities for teaching-learning. viz., classrooms, laboratories, computing equipment etc.

The Institution has adequate facilities for teaching-learning viz., classrooms, laboratories, computing equipment, etc.

All the Campuses function in their own buildings.

- Some Campuses like Shri Raghunath Kirti Campus, in Devprayag where the buildings are to be declared with formal opening.
- Construction of buildings is almost complete and wait for inauguration.
- The buildings are disabled friendly with ramp connections in between with wheel chair facility in place.
- Separate hostel facilities are there for boys and girls.
- They have the facilities like Reading Room and Gymnasium for the all-round development of the students.
- The class rooms are well furnished with user friendly furniture for students.

Covid-19 which recently played havoc, has taught some innovative ways of teaching and learning hitherto unimagined.

- Online teaching is one such innovation.
- So the Campuses have tried to adjust with the necessities of modern times in a rapid way.

Black/white boards, highly mounted stages and lecterns etc. are part of the classroom.

- They have cross room ventilation with adequate natural light and air etc. enveloping the classroom, which already has ceiling fans and tube lights fitted.

- Classrooms of all sizes to facilitate Compulsory and optional subjects.
- Washroom facilities have improved considerably to suit to the demanding needs of Covid-19 in the matters of hygiene and cleanliness.
- The separate block is there for Shiksha Shastra.
- The classrooms have been well equipped with standard furniture, high mounted stages, fans and lights and some are upgraded to smart classrooms with ICT facilities to cater to the modern requirements.

- They have B.Ed. lab for the students to undertake the experiments in modern technology.

All Campuses have

- Language lab
- Psychology lab
- Technology lab
- Computer lab with adequate number of computer systems with Wi-Fi facility.
- Conference rooms with projector and screen facility to cater to the requirements of seminars, conferences and meetings etc.
- They also have the facility of an auditorium fitted with all modern amenities like quality sound, light, stage, seating arrangement, Greenrooms and washrooms etc.
- The availability of the auditorium caters to the needs of cultural programmes and for conducting All India Programmes like -
- Youth Festival,
- Drama Festival and

- Elocution contest in a hassle free manner.

Library facility is there fitted with latest software like

- E-Granthalaya, 4.0 Cloud Version.
- The books and manuscripts are well preserved and made available for the

easy access to the students, research scholars and staff.

CCTV surveillance is there to monitor the campus activities in a better way.

- It instills a sense of alertness in the students for the disciplined behavior.

There are separate rooms for research scholars with the availability of the computer systems with Wi-Fi facility and printers etc.

All departments are having

- Computer systems
- Printers and scanners to cater to the academic needs.
- The office is having quality furniture for the comfort of the staff.
- Computers,
- Printers,
- Scanners and
- Copying machines etc., are there to meet the official requirements.
- High speed internet facility is available.
- A full-fledged security system is in place.

Moreover, the campuses have

- Health centers,
- Indoor and outdoor playgrounds and
- Gardens for the all round development of the students.
