Question -

Effectiveness of various bodies/ cells/ committees is evident through minutes of meetings and implementation of their resolutions.

Answer -

The institution relentlessly strives to implement the decisions of various bodies/cells/committees effectively for the smooth administration of all the University and all its campuses.

The institution has been visited by the UGC and NAAC Peer Teams from time to time and its top priority lies in the implementation of the suggestions for the all-round development. Because, it is answerable to the aforesaid agencies regarding the implementation of the suggestions as the Peer Teams that visit the institution in future will definitely ask how far their suggestions are followed and if not followed, why thereof. IQAC of the University takes up this responsibility and through its effective efforts, facilitates their future visit to inspect the Head Quarters and all the Campuses for the purpose of accreditation etc.

- The Executive Council is the paramount governing body and its role in the effective management of the administration of the University is of huge significance. Its approval is necessary for all the important administrative actions like appointments, according promotions etc.
- Academic Council looks after the fulfillment of all academic actions like conducting meetings of Board of studies in all subjects. The minutes are recorded for future action and reference and the minutes of previous meetings are approved along with the submission of Action taken Reports.

The Campuses also have bodies, cells and committees to meet the requirements at local/campus level.

- The Campus Director constitutes various committees including students Welfare council for the smooth functioning of the campus in all its academic, cultural and other activities like games and sports etc.

The programmes like Inter Campus Youth Festival, All India Drama Fest and all India Elocution Contest provide challenging task to the Campuses in managing the students coming from different states, cultures and communities etc.

- It is a gigantic effort to maintain discipline and to see they behave in a peaceful and harmonious way.
- Sometimes the teams on the losing side complain about partial decisions going against them thus depriving them off the Gold Medal etc. the host Campus is to address all such issues in a deft manner.
- It is also a herculean task in inviting the judges and experts and in managing their boarding and lodging facilities etc.
- It is often difficult in managing events of such gigantic proportions well within the allotted fund by the University.

However, the Campuses work in tandem with the Head Quarters in making all the programmes hugely successful.
